Day 3: Glacier National Park

Following breakfast in our hotel we’ll depart for one of America’s most beautiful attractions. Our group will travel over the spectacular Going-to-the-Sun Highway, acclaimed as one of the outstanding scenic roadways of the world. The drive affords magnificent views of the mountain scenery. We will spend three nights at the Kelly Inn West Yellowstone. A variety of evening activities are available, including the Playmill Theatre. B & L

**Day 11: Bryce Canyon National Park**

Following an included breakfast at our hotel we will travel to Bryce Canyon National Park. Bryce Canyon includes some of Earth’s most colorful rocks, which have been sculpted by erosion into pillars called “hoodoos” and other fantastic forms. Iron oxides give red, yellow and brown tints to the limestone, while manganese oxides lend a lavender hue.

We’ll travel with a local guide on a road that follows the high rim to many major vantage points, such as Inspiration Point and Sunset Point.

We will check into the Best Western Plus Bryce Canyon Grand Hotel, our home for the night.
Day 12: Zion National Park

Following an included breakfast we’ll continue to another of the West’s treasures, Zion National Park. We’ll discover desert terrain and huge, sculpted rock formations, coexisting with waterfalls and hanging gardens. The gigantic stone masses of the West Temple and the Watchman guard the southern entrance to the park. From a multicolored stairway, the red-brown Watchman looms 2,555 feet above the canyon floor. The 7,810-foot West Temple is one of the most prominent formations in the southern section.

Zion Canyon is a spectacular gorge carved through strangely-colored sandstone and shale by the Virgin River. About a half-mile deep and a half-mile wide at its mouth, the canyon narrows to about 300 feet at the Temple of Sinawava, the narrowest portion of the canyon accessible by car and about eight miles from the park entrance. Our experience will be enhanced by a tram ride through these remarkable, natural spectacles.

We will continue on to Page, AZ, where we’ll spend the night at the Holiday Inn Express and Suites.

Day 13: The Grand Canyon

Following breakfast we’ll travel by deluxe motorcoach to the Grand Canyon. The Grand Canyon of the Colorado River is one of the world’s outstanding spectacles. In form, size, flowing color and geological significance, it is unsurpassed.

Highlights include a Navajo Reservation, Dessert View Watchtower, Grand Canyon Village Rim, and the tallest mountain of Arizona, Humphrey’s Peak.

Day 14: En Route

We’ll transfer the short distance to the Flagstaff Amtrak station and board Amtrak’s famous Southwest Chief for Chicago. Enjoy all the amenities you experienced on the westbound train. Later this afternoon our train will climb Raton Pass along the Santa Fe Trail.

Day 15: En Route to Chicago

The Southwest Chief will roll across Northeast Missouri, a corner of Iowa and all of Illinois before our 2:50 p.m. arrival into Chicago. Some tour members will change to trains bound for home cities. Others will spend the night in Chicago and fly home tomorrow.
