Arches National Park contains the world’s largest concentration of natural stone arches. You’ll view a red, arid desert with oddly eroded sandstone forms such as fins, pinnacle rocks and arches.

Canyonlands National Park invites you to explore a wilderness of countless canyons and fantastically formed buttes carved by the Colorado River and its tributaries.

Capitol Reef National Park is nearly 100 miles long. Waterpocket Fold is a regional warp or spine with one very steep side in an area of otherwise horizontal layers.

Monument Valley provides perhaps the most enduring and definitive images of the American West. The isolated red mesas and buttes surrounded by empty, sandy desert have been filmed and photographed countless times.

Enjoy a dinner cruise on beautiful Lake Powell, the second largest man-made lake in the country.

Grand Canyon National Park North Rim is 1,000 feet higher than the more popular South Rim.

World-Class Thanksgiving Point includes more than 60 mounted dinosaurs, a 55-acre garden, a six-story 3-D theater and the Museum of Natural Curiosity.

Live performance of the Tabernacle Choir at Temple Square and a tour of Salt Lake City.
**Day 1: Depart Chicago**

National Parks of the Southwest tour members will meet the Tour Director in Chicago’s Union Station. You’ll board the famous California Zephyr for the 2:00 p.m. departure. The Zephyr features double-decker Superliner equipment.

Relax in your reclining coach seat with leg rest. Roomettes and Bedrooms may be available at an additional cost and include dining car meals.

After settling in, you may want to go to the glass-walled Sightseer Lounge car. This evening you can enjoy an optional full-course dinner in the dining car; lighter fare is available in the lounge car.

**Day 2: En Route**

When you awaken this morning you may look out your window toward the West and thrill to the sight of the towering, majestic Colorado Rockies in the distance. Plan to get up early and find a seat in the glass-walled Sightseer Lounge car for the spectacular scenery that will unfold before you.

The Zephyr will leave Denver and begin its climb over the Front Range toward the Continental Divide. About an hour later you’ll encounter the famous 6.2-mile-long Moffat Tunnel and go under the Continental Divide. Throughout the day the train will wind around mountain curves and through numerous tunnels. You'll look down at roaring streams winding through valleys far below.

Our arrival into Grand Junction is scheduled for 3:57 p.m. We’ll enjoy an included dinner in Grand Junction before continuing 113 miles by motorcoach to Moab, UT. Moab is a small resort town at the center of some of the most stunning rock landscapes on earth.

**Day 3: Arches and Canyonlands National Parks**

Following breakfast we’ll board a comfortable motorcoach and travel to the Visitor Center at Arches National Park. The park contains the world’s largest concentration of natural stone arches. You’ll view a red, arid desert punctuated with oddly eroded sandstone forms such as fins, pinnacle rocks and arches. The 73,000-acre region has over 2,000 of these “miracles of nature.”

During our visit to this magnificent natural attraction, we’ll experience Balanced Rock, the double arch and Fiery Furnace (a labyrinth of sandstone cliffs and monoliths). At the Devil’s Garden, you can view Landscape Arch, Double O Arch and Dark Angel Arch.

**YOUR TRIP INCLUDES:**

- Round-trip transportation by Amtrak rail and deluxe motorcoach from Chicago.
- Reclining coach seat with leg rest on Amtrak for two nights.
- First-class hotel accommodations for nine nights.
- 12 Meals.
- Extensive sightseeing.
- Baggage handling, taxes & tips.
- Services of a professional America by Rail Tour Director.

AMERICA BY RAIL WILL BE HAPPY TO MAKE ARRANGEMENTS FOR YOUR CONNECTING TRANSPORTATION TO CHICAGO AND BACK BY RAIL OR AIR.
Following a box lunch (included), we'll visit Canyonlands National Park, a wilderness of countless canyons and fantastically formed buttes carved by the Colorado River and its tributaries. Rivers divide the park into four districts: the Island in the Sky, the Needles, the Maze and the rivers themselves. These areas share a primitive desert atmosphere, but each offers different opportunities for sightseeing.

We'll visit the Island in the Sky, a mesa that rests on sheer sandstone cliffs over 1,000 feet above the surrounding terrain. Every overlook offers a different perspective on Canyonlands' spectacular landscape.

We return to Moab for a second night. Dinner at a nearby restaurant is included. B, L & D

Day 4: Capitol Reef

Following breakfast we travel to Capitol Reef National Park.

Along the 25-mile scenic drive we'll view the Waterpocket Fold that defines Capitol Reef National Park. A nearly 100-mile long warp in the earth's crust, Waterpocket Fold is a classic monocline: a regional fold with one very steep side in an area of otherwise horizontal layers. A monocline is a “step-up” in the rock layers. The rock layers on the west side of the Waterpocket Fold have been lifted more than 7,000 feet higher than the layers on the east.

We'll continue to Torrey, UT where we'll check into the Capitol Reef Resort, our home for the night. There are restaurants nearby for an “on-your-own” dinner. B

Day 5: Monument Valley

This morning we'll travel south to Kayenta, AZ. A highlight of this day will be the drive through Monument Valley. The region provides perhaps the most enduring and definitive images of the American West. The isolated red mesas and buttes surrounded by empty, sandy desert have been filmed and photographed countless times over the years for movies, advertisements and brochures.

We'll spend the night at the Hampton Inn of Monument Valley in Kayenta, AZ. Dinner tonight is included. D

Day 6: Kayenta to Lake Powell

Following an included breakfast we will board our motorcoach and travel northwest to Page, AZ.

Following lunch at the Lake Powell Resort, we will enjoy a cruise on the lake. Lake Powell is the second largest man-made lake in the country. We'll cruise as far as Antelope Canyon, a spectacular attraction. The Canyon is so narrow that you'll feel that you could almost touch the walls which rise straight up.

Our home for tonight will be the Holiday Inn Express and Suites. B & L

Day 7: Grand Canyon North Rim

Breakfast is included at the hotel. No trip to Southern Utah is complete without visiting the Grand Canyon, and why not take the road less traveled and visit the North Rim? 1,000 feet higher than the South Rim, the North Rim of the Grand Canyon provides impressive vistas along the Colorado River, and a better glimpse at the inner canyon while retaining a sense of solitude.

An “on-your-own” lunch stop will be made at the North Rim.

Following our visit of the Grand Canyon we will board our deluxe motorcoach and travel into southern Utah. Our destination is Kanab.

Upon arrival we will check into the Holiday Inn Express Hotel and Suites for the night.

You are free to explore this evening. The town is like a Hollywood portrayal of the classic American West with towering Navajo sandstone cliffs and vistas of sagebrush. This scenery has lured filmmakers to Kanab for nearly 80 years. Abandoned film sets near town have become tourist attractions. The buildings all over town have plenty of movie posters and autographed photos to support Kanab's self-proclaimed title, “Little Hollywood.” B
Day 8: En Route to Lehi

Following breakfast in our hotel, we begin our journey north across southern Utah. Our destination is Lehi, site of Thanksgiving Point, a world-class attraction on Lake Utah 30 miles south of Salt Lake City. An “on-your-own” lunch stop will be made.

Our hotel for the next two nights is the Springhill Suites. The hotel is adjacent to Thanksgiving Point.

You’re free this evening to relax in your hotel or explore Thanksgiving Point. There are several restaurant options available for an “on-your-own” dinner.

Day 9: Thanksgiving Point

Breakfast is included in our hotel today.

Thanksgiving Point is a farm, garden, and museum complex. Your pass includes the Museum of Ancient Life, Farm Country, the Museum of Natural Curiosity and Ashton Gardens. You are free to explore at your leisure. There are also several retail shops, a spa and an ice cream shop.

The Museum of Ancient Life contains one of the world’s largest displays of mounted dinosaurs with 60 complete dinosaur skeletons in the galleries, along with more than 50 hands-on exhibits. This is the destination to enjoy learning about our pre-historic animals. Also, be sure to check out the working paleontology lab where workers are unearthing real dinosaur bones. Currently the lab is working on a 150-million-year-old long neck dinosaur called a Barosaurus.

There is also a Mammoth Screen Theatre located inside the museum which shows 3D National Geographic movies.

Ashton Gardens covers approximately 55 acres and includes 15 different theme gardens. Other themed gardens include a Monet pond, Rocky Mountain landscapes and a rose garden featuring 60 varieties.

Thanksgiving Point’s newest venue is the Museum of Natural Curiosity. The museum features five exhibit areas: Rainforest, Waterworks, Kidopolis, Traveling Exhibits and the five-acre outdoor component, Discovery Garden.

We will spend our final night at the Springhill Suites.

Day 10: Tabernacle Choir at Temple Square / Salt Lake City

Following an included breakfast we’ll board our deluxe motorcoach and travel 30 miles to Salt Lake City. Our first destination is the Mormon Tabernacle where we will attend the Sunday morning Music and the Spoken Word featuring the world famous Tabernacle Choir at Temple Square. This includes modern and traditional arrangements of spiritual, patriotic, popular, classic and contemporary music coupled with timely, inspiring prose. Music and the Spoken Word becomes an uplifting and rejuvenating memorable experience.

The remainder of our day will be devoted to a delightful tour of Salt Lake City. You’ll see the Salt Lake Temple, Tabernacle, Brigham Young’s Monument and private burial ground, Beehive House, Lion House, Eagle Gate, University of Utah, Fort Douglas and Trolley Square. There will be “on-your-own” lunch opportunities.

We will arrive in Price, UT where we will spend the night at the Holiday Inn Express and Suites.

Day 11: En Route / Colorado Rockies

This morning we will transfer to the nearby Helper Amtrak station and board the California Zephyr for our trip to Chicago. You’ll enjoy the same accommodations and amenities featured on your westbound trip.

Make sure you take the opportunity to view the spectacular scenery from the Sightseer Lounge car as we make our way toward Denver. When we leave Glenwood Springs we will begin to climb through the spectacular Rockies toward the Continental Divide. The mountain vistas will continue throughout the afternoon. Later we’ll encounter the famous, 6.2-mile long Moffat Tunnel and go under the Continental Divide. We’ll arrive in Denver at 6:38 p.m.

Day 12: En Route to Chicago

The California Zephyr will roll across Iowa and Illinois and arrive in Chicago at mid afternoon. Some tour members will change to trains bound for Midwest, Eastern and Southern home cities. Others will spend the night in Chicago and continue home tomorrow.
